EDUCATION

Burak Tuncer was born in Fatih, Istanbul.

He got accepted into Acibadem School of Medicine. While studying at the School of Medicine, he did his internship in the hair transplantation and treatments unit at Esteworld, a corporate chain brand.

During this period, he participated in many congresses in America and Europe as a speaker and took part in research studies. Later, he completed his education on "Medical Aesthetics" at the American Academy of Aesthetic Medicine.

Since 2020, he has been working as a Medical Director at Esteworld. He contributed to the further growth of Esteworld, which is the most preferred brand in its field both in Türkiye and in the world, by making a breakthrough with the innovative brand understanding brought by him. Dr. Burak Tuncer, who is also a hair transplantation doctor as well as the medical director of the institution, performed more than 5.000 hair transplant operations in the hospital that provides VIP service. In his professional career, he has led the practices in these areas by developing innovative treatment approaches thanks to the in-depth knowledge and expertise he has gained.

Within this framework, he was entitled to receive the "Youngest Businessman" Award at the International Business Summit in 2021.
